

Dear Safety Associate:

The **Michigan Fire Inspectors Society** was established in April of 1950. The first meeting was held on the campus of Michigan State University, as it is still today.

The purpose of the society is threefold:

- To change ideas in the field of fire prevention, education and suppression.
- To encourage cooperation of state and local agencies in solving Michigan's fire problems.
- To assist in formulating educational seminars for the Michigan Fire Inspectors Society.

It is with *pride* that the purpose of the society remains the same as that adopted by the original membership.

The annual summer meeting/golf outing of the society is on June 18, 2008 in Webberville; this combination of business and pleasure is attended by approximately half of our society members.

This year we are again offering selected organizations and individuals an opportunity to participate in the outing by sponsoring one of the **18 holes** of the tournament. A sponsorship requires a \$100.00 dollar donation which supports the MFIS scholarship fund program that is utilized by our membership and the Burn Survivor scholarship, which supports an educational scholarship for a Michigan burn survivor. The sign that is posted on the tee(s) will be worded "**THIS HOLE SPONSORED BY (organizations name)**". The sign will be of professional quality and the lettering sized accordingly.

The society is registered with the state of Michigan as a non-profit organization therefore your contribution would not be tax deductible. Please fill out the attached **Hole Sponsor Application Form**. This **MUST BE** returned by **June 6, 2008**.

If your *firm* is interested in participating in this event as a **Hole Sponsor**, please complete and return the enclosed "Hole Sponsorship" application form with your donation made out to the *Michigan Fire Inspectors Society*. All proceeds collected will be used for the **MFIS Scholarship Fund**.

If you have any questions, please feel free to contact Kevin Abbasse at 616-881-9876 or 616-942-7854.

Sincerely,

Major Metcalf
President Michigan Fire Inspectors Society
