

# Michigan Fire Inspectors Society

November 14, 2008

Dear Business Owner,

The time has come for the Michigan Fire Inspectors Society to begin our first ever Fire Prevention Calendar. The calendar is filled with helpful hints/tips and activities for all ages and most importantly, how to protect yourself and family from the dangers of fire! Our goal is to have the calendars distributed to the fire departments throughout the State of Michigan, which will be given out to their community. Our success will depend greatly on the generosity of businesses like yours that participate in the event.

The money raised will help pay the cost of printing the calendars. The Michigan Fire Inspectors Society will not be selling the calendars for profit, 100% of the monies raised will go directly into the printing of the calendars. You can go online and view the calendar at [www.mfis.org](http://www.mfis.org).

To be a sponsor or to make a donation, please see the attached flyer. For additional information, please contact me at (734) 374-1358 or Brian Batten (Ferndale Fire Department) at (248) 336-4131.

Thank you in advance for your support.

Sincerely,

John Hager, Executive Board Member  
Michigan Fire Inspectors Society  
Public Awareness Committee
